ABOUT THE INSTITUTE

Established in

2015

the Mission of the Institute is to develop and foster professionals with competencies in creating and leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work.

IIM Sirmaur is one of the newer institutions of the Indian Institute of Management family in the country. Taking forward the legacy of the IIM brand, IIM Sirmaur is committed to delivering quality education, training and research in the management sciences. IIM Sirmaur is focused on developing indigenous knowledge and practices in an enabling environment. The Institute strives for the seamless integration of management education with local and global aspirations with the understanding that management education is not just about seeking the most competitive employment opportunities, but also about learning to serve socioeconomic concerns through ethical and visionary corporate leadership.

Established in 2015, the Mission of the Institute is to develop and foster professionals with competencies in creating and

leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work. Our Vision is to be a "Globally Respected Institution for Management Excellence."

IIM Sirmaur delivers application-oriented future-aware curricula that trains students to develop their natural talents into transferable skills, to acquire the agility of mind and attitude to adapt to rapidly evolving business environments, and most importantly, to do all this while being committed to making societies a better places to transact honest business.

The Institute is home to bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. The students here are eager to make positive contribution in their chosen

field and they have a genuine desire to be of service to the country. An invigorating curriculum and demanding academic programme help to transform young minds into responsible professionals capable of adapting to the ever changing world. Equipped with this unique combination of practical skills and latest methods of learning, we believe that, our students are bound to be an invaluable asset wherever they work.

Currently, the Institute offers its full-time residential MBA programme of two years' duration. The pedagogy followed by IIM Sirmaur offers the same standards of rigour as the other members of the IIM family. The two year MBA programme is designed to produce students equipped with the required contemporary competencies to build, grow and develop organizations. The programme specifically attempts to:

Provide an excellent learning environment that fosters the spirit of creativity, knowledge sharing and collaboration and achieve success by means of providing the most up-to-date competencies that is required by organizations across the world.

To foster entrepreneurship among the students and also facilitate outreach to prospective entrepreneurs in and around the areas adjoining Sirmaur.

To undertake the use of holistic learning by means of integrating the dissemination and deliberation of the relevance and contribution of issues such as spirituality, trust, sharing and community in developing a better place to live for one and all.

MESSAGE FROM THE DIRECTOR

Dear Colleagues,
Greetings from IIM Sirmaur!

I am glad to present before you the 06th batch of our flagship MBA programme (MBA 2020-22), which is ready to serve the society and corporate in the current challenging scenario.

As an institution of national importance under Ministry of Education, Government of India, IIM Sirmaur is committed to delivering quality education to its diverse batch of academically and professionally qualified students. Since its establishment in 2015, the industry has continually trusted the talent pool at IIM Sirmaur. The students of the present batch have undergone rigorous training as potential management professionals, to be able to steer corporate activities. The course curriculum and the industry exposure at IIM Sirmaur reinforce that they should aptly fulfil the job requirements.

During the disruption created by recent pandemic, our students have suitably adapted to the challenges and have shown extreme agility to grow in their career. I whole heartedly endorse the capabilities of the students, who have embraced the 'novel' and the 'uncertain' with positivity and zeal. We are hopeful that these enthusiastic and deserving students can offer extensive value to your organization. They have been groomed to appreciate the indigeneous and work for the socio-economic upliftment of the communities around.

I invite you to evaluate the talent pool at IIM Sirmaur, and allow our students to showcase their skillset and confidence to serve the world of business globally.

I look forward to host you to the Indian Institute of Management Sirmaur!

With best wishes,

Professor Neelu Rohmetra

ABOUT MBA PROGRAMME

The Masters in Business Administration Programme is a two-year, full time residential programme. The first year coursework is spread over three terms. The programme fosters an overall development of the future business leaders with strong fundamentals. The curriculum is designed to give students a perfect combination of academic skills and insights into the changing business environment. It comprises core courses that explain the fundamentals of management across different functional areas. The courses in the first year curriculum are mandatory for all the students. The first year coursework is followed by a summer internship. The Summer Internship Programme is an integral part of the PGP Course and it bridges the gap between theory and real world dynamics. Students are required to work on an industry project with

an organization for a period of eight to ten weeks. A three week mandatory International Immersion Program (IIP) organized by the Institute helps the students to expand their horizons towards diverse cultures and global business practices. The second year coursework is spread over the next three terms (Term IV to Term VI). The second year students are offered elective courses across different functional areas such as Marketing, Finance, Operations, Decision Sciences, Information Technology, Strategy, Human Resources and Economics. The students can opt for elective courses based on their preferences, insofar as they fulfill the minimum credit requirements for the programme. The participants who successfully fulfill all the requirements of the programme are awarded the degree of 'Masters in Business Administration'.

COMMITTEES

The Infrastructure and IT Committee

The Infrastructure and IT Committee act as a liaison between the student community and the administrative bodies, viz., Administration, Systems, Housing & Maintenance teams. The members coordinate with the administration to review and improve the existing facilities and meet with them every month to assess the developments on campus. This committee's main function includes maintaining the infrastructure and IT services and coordinating various administrative bodies for multiple events. Managers are often faced with unexpected and challenging situations; the committee helps its members develop skills to tackle such situations.

Cultural Committee

One of the most prized possessions of the Institute is the cultural diversity brought in by the students belonging to various states and cultures. The Cultural Committee cherishes the cultural diversity by celebrating various regional festivals from all parts of India and conducting events like official student parties, DJ Nights, cultural events by popular artists and promotes government initiatives like Qaumi Ekta Week, Ek Bharat Shreshtha Bharat, Constitution Day, Vigilance Awareness Week, etc.

It serves as a platform for the students to hold recreational activities like dance workshops, theatre, social gatherings and relish with each other in their leisure.

Alumni Cell

The Alumni Cell works to strengthen the bond between IIM Sirmaur and its alumni for a mutually beneficial relationship. With the intent of connecting the students & ex-students of our institute spread across different batches, chapters and locations, the Alumni cell of IIM Sirmaur was established in 2017, after the convocation of our very first batch! With the formation of IIM Sirmaur Alumni Cell, we have introduced a platform for the alumni to inform, interact and get involved in the events and happenings that are taking place at our Institute. Through this page, we wish to strengthen the relationships between alumni, students, faculty, and staff by spreading awareness and encourage participation in the affairs of the institute.

Placement Committee

Placement Committee is a student body responsible for coordinating and streamlining all the placement related activities.

Guided by an illustrious faculty member, serving as Chairman Placements, it is a team of highly dedicated and proactive students working in synergy to achieve the common goal of attracting the most suitable profiles from the most renowned organizations. The key operating spheres of the placement committee include organizing corporate interactions, workshops, developing the student brochure, student's skill job mapping, organizing placement related events, and giving the students an insight about the in vogue industrial trends through conclaves and seminars. The Placement Committee is pivotal in developing and sustaining a mutually beneficial relationship with the corporate houses. Placement committee organizes events such as Jivatva -Webinar series featuring business leaders from global organisations.

Student Training and Development Team

The Training & Development Cell of IIM Sirmaur comprises of a team which aims to improve the overall personality of every student. While students hone their knowledge base through academics and extra-curricular activities, this team focuses on enhancing their soft skills. The students thus get the opportunity to tailor their day-to-day interactions and learn the nuances of effective corporate and personal communication. In addition to this, the cell also assists students to prepare for aptitude and psychometric tests that are ubiquitous in today's professional world. All in all, the students are equipped with the skills to become responsible and conscientious citizens of society and an asset to any organization.

Student Academic Committee

The Student Academic Committee is a student body that facilitates academic activities and acts as an interface between the students, faculty, and administration. The committee coordinates with Chairperson Programmes to ensure that the overall decorum and discipline in the Institution is maintained all the time. The key responsibilities include providing suggestions regarding International Immersion Program, modifications/changes in course curriculum, distribution of course material and other academic-related documents to the PGP Chair, and bringing to the notice of the administration the difficulties faced by students due to class or exam schedules and any other academic issues. SAC provides suggestions regarding the certifications of students after the approval of the Chairperson Programmes. Further, SAC also provides recommendations around the induction of new Batches and helps the students cope with the Institute's academic rigor.

IIM SIRMAUR

Sankalp CSR Cell

Sankalp, as the name stands is committed to its vision of creating a sense of inclusiveness in the hearts of people. Sirmaur, being a blend of industry and nature, enables us to understand the significance of harmony between the two through sustainable development. We are dedicated to instilling the spirit of Corporate Social Responsibility, the most important and righteous social development duty of corporate companies and Industries, into bright young minds. Since its inception, Sankalp has endeavoured in various activities- clothes donation drive for underprivileged people, a blood donation camp in association with IMA, arranged school supplies for children at a local school, cleanliness drive and waste management awareness drive. The team is striving tirelessly to realize its plans for a whole lot of activities this year also, focused primarily on giving back to society and standing by its motto of "Sowing hope into lives".

Media Cell

The Media Cell acts as a point of contact between the Institute and the outside world. From keeping the social media platforms up to date with the events happening in the Institute, to communicating with the print and digital media, this committee is in charge of the brand IIM Sirmaur. By creating worthwhile and engaging content by means of Facebook, Twitter, Instagram and newsletter, the committee aims at recognizing and valuing the achievements of the Institute and its torch bearers. It works to consistently enhance the visibility of the Institute.

Industry Relations & Sponsorship Committee

The Industry Relations and Sponsorship Committee (IRASC) is committed to establish and uphold higher level of relationship of IIM Sirmaur with industries and corporate organisations. The committee solicitates live projects, guest lectures and industry visits to the students, allowing them to understand, appreciate and to actively pursue industry requirements. Such practices help the industries in leveraging the high potential student community to address their problems. Further, the committee channelizes its relationship with the industry to offer them a platform for sponsorships and promotion for various events conducted in the Institute, round the year.

Mess Committee

The mess of IIM Sirmaur is student-driven and the committee aims at providing homely and nutritious food to the students as well as to the faculty and staff members. It maintains strict quality standards to ensure that students are served healthy and hygienic food. It is always striving to make improvements and enjoys the continuous support of the administration. It helps immensely in the Institute's endeavour of providing a home away from home.

E-Cell

The Entrepreneurship Cell is one of the most coveted committees of an institute. The presence of business acumen is imperative not just for aspiring entrepreneurs but also for those who want to make their presence felt in the corporate world. The E-Cell is committed to foster the spirit of entrepreneurship among the students. It provides a platform for mentoring and training and helps students to convert their ideas into self-sustaining ventures. To this end, the E-Cell regularly organizes relevant guest lectures and workshops.

Sports Committee

Playing any kind of sport brings out the leader in you. The Sports Committee has organized various inter-college competitions for Chess, Volleyball, Box Cricket and Badminton. The Committee has put in lots of efforts to develop the sports infrastructure. The committee also helps the Institute teams, in terms of providing all the necessary support, to enable them to participate in the events conducted by the other colleges.

CLUBS

Finserve – Finance and Economics Club

FinServe aims to enhance the financial quotient of the students by conducting various inter-college activities like interactive sessions, guest lectures, financial quizzes, debates and events in collaboration with the corporate world. The activities provide a platform to the students to interact with each other and gain perspective on recent development and innovations in the area of finance and consistently enhance the visibility of the Institute.

Capital -51 – Stock Trading Club

Stock market plays a pivotal role in the growth of an economy. This is a major reason why it is so closely monitored by governments, central banks, companies and even general public. The increasing importance of this section of finance has intrigued us a lot. Hence, the club "AREA 51" of IIM Sirmaur is solely dedicated towards capital market operations where we discuss various events and techniques. We conduct informative sessions, quizzes, expert talks, virtual trading and portfolio management competitions.

Markaizen – Marketing Club

Markaizen, the marketing club at IIM Sirmaur is responsible for orchestrating activities to help students explore marketing management area. It brings in an invigorating gust to the otherwise laborious lives of students by organizing enthralling activities which also give opportunities to students to showcase their talent and learn by doing.

Markaizen provides the following benefits to club members, Indian Institute of Management, Sirmaur, and the community at large:

- Provide a platform to educate and enhance students' understanding of the various aspects and nuances of the marketing management area.
- Assist club members in discovering & exploring diverse marketing employment opportunities.
- Stimulate interaction among students, outside companies, and faculty to enhance participation in marketing and community relationships.

SCOPE –Operations and Supply Chain Management Club

SCOPE focuses primarily on equipping the students with the fundamental skills demanded by the manufacturing as well as the service industry in the field of operations and supply chain. The club is committed to enhance the knowledge sharing and add value to the classroom learning through guest lectures by industry leaders, industry visits and various competitions like quizzes, simulations, and case studies.

Quizzar– Quiz Club

Quizzar aims to enhance the general awareness of the students and also encourage them to think beyond their regular academic curricula. Quizzar conducts activities such as interactive and general quizzes, crosswords etc. in new and innovative ways that make them interesting and relevant for the business school students.

Ek Bharat Shrestha Bharat (EBSB)

EBSB is a program by the Government of India to encourage cultural integration. Different states are paired together to promote cultural relations and bonding between states. EBSB club of IIM Sirmaur has conducted several cultural activities and events to bring the states of Himachal Pradesh and Kerala closer and make people aware of the rich heritage and ethos of the two states. Some of the events that the club has conducted so far are “Mystify”, a pan India quiz, documentaries featuring our cultural heritage, and an artistic Bharatanatyam performance. The objective behind these events was to imbibe learning, as well as bring a sense of inclusiveness among the IIM Sirmaur fraternity.

IIM SIRMAUR

Consulere

Consulere is the consulting club of IIM Sirmaur and acts as an umbrella club for various business domains such as marketing, operations, HR, and finance. It aims to create a learning environment for students to deal with strategic and consulting issues and provide them with opportunities to make impactful contributions to business organizations. It adds value to the stakeholders by building a diverse knowledge base & case-solving acumen to stay ahead of the curve. Consulere provides resources, facilities, and mentorship to help the stakeholders acing consulting interviews and secure jobs in the consulting industry. It provides opportunities for organizational diagnosis to identify points of intervention. It also hones skills in analysis, report writing, and presenting solutions to the problem statement.

Datonics - IT CLUB

Datonics is a student initiative focused on providing all IT related solutions on the campus. The club is setting up a MOODLE 'Modular Object-Oriented Dynamic Learning Environment' facility which is an open Learning Management System (LMS), a Network sharing facility, and developing an online Software Repository containing essential software required for general and academic uses. The club is also building an interactive online forum for brainstorming IT related issues. It also focuses on Analytics and managerial solutions with help of machine learning and deep learning. Datonics is working towards bringing AI into field of management.

Vibgyor- Photography Club

This club is a group of like-minded members who express their love and passion for Photography and like to capture beautiful moments and express their feelings in the form of Photographs.

Photography is a passion for the members of this club. The club's aim is to offer a platform on which interested people of IIM Sirmaur can promote their work to a wider audience and help people pursue photography as a hobby and also grow in their career.

The Spin Masters Club

The Spin Masters Club aims to bridge the gap between the industry and the aspiring managers by conducting knowledge-transfer sessions with real-life strategies, quizzes, case study competitions, business simulations, and guest lectures from established strategy experts. The club is dedicated to providing insights into the strategic world by publishing strategic concepts and industry analysis. This helps the students to gain practical domain knowledge and inculcate expertise in strategic management, team building, and creativity.

Rangmanch – Arts Club

RangManch is the art club of IIM Sirmaur. It started with the idea of providing a healthy deviation from the rigorous routine of academics at IIM Sirmaur. The club believes that each one of us has a creative side to his/her personality and all we need is a conduit for our creative energies. It encourages students to engage in creative activities, records them and post those videos on social media platforms. Apart from content creation, the club is also responsible for the active promotion of content and provides a platform to showcase the same. Thus it provides hands on experience of digital marketing to its members. The club sees active participation from the talented pool of students at IIM Sirmaur.

Horizon – HR Club

Horizon the HR Club of IIM Sirmaur is a collective that aims to unite students who have a deep interest in the field of Human Resource Management, explore the practices prevalent in the domain & address challenges in the ever-changing field. The club intends to establish linkages between theory and practice by interacting with professionals, exploring case studies, conducting simulations and conducting exciting events that give a feel of various roles and responsibilities of an HR. The Club's intent is to foster a learning environment to enable students to become competent HR professionals.

MDP & WORKSHOPS

BIG DATA ANALYTICS FOR EVERYONE

"Big data and the analytics based on it promise to change virtually every industry and business function over the next decade. Learn how to use it to drive success at your company" (Harvard Business Review, September 2020).

Abstract

The recent explosion of social media and the digitization of every aspect of life has resulted in the creation of mountains (big data) of digital data, mostly unstructured, in form of web logs, videos, speech, photographs, e-mails, Tweets, and others. The proposed workshop is aimed to impart practical hands-on skills on such data forms to uncover the hidden treasure on a relevant business and/ or policy issue. The objectives of the workshop are to provide hands-on learning experience on collecting the data, conducting big data analysis, and identification of critical issues from it. The workshop is also envisaged to provide the principle and working knowledge of Python on Jupyter notebook using Anaconda distribution.

Outcome

On the completion of the workshop participants shall be equipped with enough confidence and skill to conduct the independent big data analysis on the topic of their interest, including data collection, data pre-processing and data analysis. Data collected and its analysis is expected to enrich in various ways to the existing ongoing research projects of the participant. All the participants shall be awarded e-certificate.

Course Content

- Introduction to Big Data and Big Data Analytics
- Identification of the sources of big data to extract meaningful conclusions
- Introduction to Natural Language processing (NLP) and its role in business management.
- Software Training for Big Data Analytics (Anaconda, Jupyter Notebook, and Python).
- Individual assignments to the participants on collection and analysis of data.

The workshop shall consist of 4 sessions of 90 minutes each. The proposed session plans are as follows:

- **Session 1:** Preparation of software support for the workshop, Anaconda installation and basics of Python
- **Session 2:** Basics of Natural Language Processing (NLP) and its role in social media analytics
- **Session 3:** Collection of social media data and its preprocessing for further analysis
- **Session 4:** Critical analysis of the collected data for decision support

GUIDE TO FINAL PLACEMENTS

FOR THE BATCH OF 2020-22

The organizations can start inviting applications any time after the Pre-Placement Talk (PPT) and/or confirmation of participation in the Final Placement Process. The details of the job offer such as profile, remuneration and location must be provided before applications are invited. Consequently, an invitation letter will be mailed to the organization confirming the date and time at which the Selection Process will take place. The organization is required to communicate the detailed process requirements (number of selection rounds, panels, and process specific requirements) at-least 3 days prior to the placement process.

Pre-Placement Talks
September 2021

Final Placements
Oct 2021 - Feb 2022

Joining Dates
April 2022 Onwards

Pre-Placement Talks

The Pre-Placement Talk (PPT) helps companies and students interact with each other. The representatives of companies share the profile of their company, key aspects of business, work environment and opportunities available to the students. The presentation is followed by a Q&A session, where students interact with company officials to get a better understanding of the company and potential roles. A typical PPT session is scheduled around 90 minutes.

Applications and Shortlists

In response to job descriptions floated by companies, interested students apply through the Placement office. A detailed resume is submitted by the students as part of the application process. On the basis of student applications, companies are required to send shortlists to the Placement office prior to their final placement interviews.

Placement Interviews

The final placement process is expected to be conducted over a period of time from January 2022 to March 2022. Companies can interview the students they have shortlisted, on the date agreed upon by the Placement office and the company. The final placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice. The companies are allowed to meet students prior to their allotted summer interview date and carry out preliminary assessments.

Offers and Acceptance

The company can make an offer to the student after the final interview. For an offer to be valid, it should include details of role, location, remuneration, and other relevant terms and conditions required by the candidate to make a decision. The offer is communicated by the company to the Placement office, which in turn communicates it to the selected student. The acceptance of an offer is governed by placement rules of the MBA Programme which are framed at the beginning of the academic year.

INDUSTRY TESTIMONIALS

I thoroughly enjoyed my interactive session with the students of IIM Sirmaur at the Ankuran (HR Conclave). Today India is marching ahead in the global arena. We see Indians occupying apex positions at various large MNC organizations in regular frequencies. Huge number of start-ups with the likes of OYO Rooms, Make My Trip, Zomato, Swiggy are being launched everyday with scalable business models. India have become the hub for quality Human Resources for the entire world. In this context a session dedicated to innovative HR practices made a lot of sense and it was a pleasure listening and interacting with so many bright Senior Industry Leaders, the IIM Sirmaur Director & erudite Professors and sharp young minds of IIM Sirmaur. I wish to take this opportunity to thank the students for a hugely successful event and look forward to many more.

- Mr. Abhra Rajib Banerjee

Former Vice President and SBU Head
Havells India Ltd.

The new batch from IIM Sirmaur, in this limited period have shown positive and encouraging signs in adapting, adjusting and integrating yet keeping their individual uniqueness intact.

Trust the Institute builds on this further and positions itself as a preferred destination for Corporates to source their future talents.

Mr. Partha Dasgupta

Former Chief Mentor
Reliance Industries

The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India's Ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones.

Mr. Surindam Dutta

HR, North & East
Schindler

I loved interacting with the bright students of IIM Sirmaur. I think IIM Sirmaur has a good headway in making a mark among the newer IIMs.
