IIM Sirmaur is focused on developing indigenous knowledge and practices in an enabling environment. The Institute strives for the seamless integration of management education with local and global aspirations with the understanding that management education is not just about seeking the most competitive employment opportunities, but rather about learning to serve socioeconomic concerns through ethical and visionary corporate leadership.

Established in 2015, the Mission of the Institute is to develop and foster professionals with competencies in creating and leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work. Our Vision is to be a "Globally Respected Institution for Management Excellence."

IIM Sirmaur delivers application-oriented future-aware curricula that trains students to develop their natural talents into transferable skills, to acquire the agility of mind and attitude to adapt to rapidly evolving business environments, and most importantly, to do all this while being committed to making societies better places to transact honest business.

The institute is home to bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. The students here are eager to make positive contribution in their chosen field and they have a genuine desire to be of service to the country. An invigorating curriculum and demanding academic programme help to transform young minds into responsible professionals capable of adapting to the ever changing world. Equipped with this unique combination of practical skills and latest methods of learning, we believe that, our students are bound to be invaluable asset wherever they end up.

Currently, the institute offers its full-time residential MBA programme of two years' duration. The pedagogy followed by IIM Sirmaur offers the same standards of rigour as the other members of the IIM family. The two year MBA programme is designed to produce students equipped with the required contemporary competencies to build, grow and develop organizations. The programme specifically attempts to:

- Provide an excellent learning environment that fosters the spirit of creativity, knowledge sharing and collaboration and achieve success by means of providing the most up-to-date competence that is required by organizations across the world.
- To foster entrepreneurship among the students and also facilitate outreach to prospective entrepreneurs in and around the area adjoining Sirmaur.
- To undertake the use of holistic learning by means of integrating the dissemination and deliberation of the relevance and contribution of issues such as spirituality, trust, sharing and community in developing a better place to live for one and all.

At IIM Sirmaur, we focus on developing indigenous knowledge and innovative practices in an enabling environment.

ABOUT MBA PROGRAMME

The Masters in Business Administration Programme is a two-year, full time residential programme. The first year coursework is spread over three terms. The programme fosters an overall development of the future business leaders with strong fundamentals. The curriculum is designed to give students a perfect combination of academic skills and insights into the changing business environment. It comprises core courses that explain the fundamentals of management across different functional areas. The courses in the first year curriculum are mandatory for all the students. The first year coursework is followed by a summer internship. The Summer Internship Programme is an integral part of the PGP Course and it bridges the gap between theory and real world dynamics. Students are required to work on an industry project with an organization for a period of eight to ten weeks. A three to four week mandatory International Immersion Program (IIP) organized by the institute helps the students expand their horizons **towards diverse** cultures and global **business practices**. The second year coursework is spread over the next three terms (Term IV to Term VI). The second year students are offered elective courses across different functional areas such as Marketing, Finance, Operations, Decision Sciences, Information Technology, Strategy, Human Resources and Economics. The students can opt for elective courses based on their preferences, insofar as they fulfill the minimum credit requirements for the programme. The participants who successfully fulfill all the requirements of the programme are awarded the degree of 'Masters in Business Administration'.

INTERNATIONAL IMMERSION PROGRAM (IIP) 2018

SDA Bocconi School of Management, Milan, Italy hosted the students of IIM Sirmaur for the three week long International Immersion Program held from June 11 – June 29, 2018. A one-of-a-kind program offered by IIM Sirmaur in collaboration with SDA Bocconi, aimed at providing 360-degree immersive learning experiences by means of in-class sessions, case analysis, simulations, company visits and various activities that provided insight into Italian and European culture.

The first week of the International Immersion Program at SDA Bocconi began with Prof. Olga Annushkina's delivery of macroeconomic aspects and effect of demographics on the Italian economy. This discussion was followed by a walking tour to the wonderful Duomo di Milano cathedral, the Milan stock exchange and the Castle Sforzesco di Milano. Prof. Olga introduced to the students the framework for measuring the liability of foreignness. An in depth session on global, multinational and transnational strategies, study of the Ferrari and the mesmerizing visit to Museo di Ferrari concluded the course on International Business and the first week of the Immersion program.

The second week of the program started on a good note with a visit to the Ricci Curbastro Winery in Franciacorta, where students had the opportunity to understand Mr. Gualberto Ricci Curbastro's understanding of the market. The students were asked to develop an international market strategy for Ricci Curbastro. This visit was followed by an engaging session on International Finance by Prof. Andrea Dossi,

who laid down the framework to study challenges of managing a multinational corporation. The course on Service, Operations and Supply Chain Management started with a proactive class by Prof. Francesco Gallman. The sessions in this course covered the study of efficiency and utility. The discussion on Lean management started with a study of principles and performance measurement tools necessary for lean management. The torch simulation exercise that was included in the class was a great practical experience for both the groups that participated.

The final week of the Program was all about Supply Chain Management and Project Management, taught by Prof. Vitiliano Fiorillo and Prof. Silvia Zamboni respectively. The course on Supply Chain Management dealt with Vendor Managed Inventory and Risk Management in Supply Chain. The visit to Maserati translated the learnings from Prof. Gallman's classes into the real world. The last course of the program was Project Management, delivered effectively by Prof. Silvia.

It was wonderful to be a part of the soccer game between IIM Sirmaur and SDA Bocconi. The knowledge addition regarding the models and processes used in Italy was a fruitful outcome of the International Immersion Program.

The International Immersion Program included two courses of PGP (1 credit each): International Business Service Operations and Supply Chain Management.

I INTERNATIONAL BUSINESS	II SERVICE OPERATIONS AND SUPPLY CHAIN MANAGEMENT	III PROJECT MANAGEMENT
<p>Prof. Olga Annushkina <i>Strategic and Entrepreneurial Management</i></p> <p>Prof. Andrea Dossi <i>Accounting, Control, Corporate and Real Estate Finance</i></p>	<p>Prof. Francesco Gallmann <i>Operations and Technology Management</i></p> <p>Prof. Vitiliano Fiorillo <i>Operations and Technology Management</i></p> <p>Prof. Silvia Zamboni <i>Operations and Technology Management</i></p>	<p>Prof. Silvia Zamboni <i>Operations and Technology Management</i></p>

The custom program complemented the IIM Sirmaur curriculum with an added exposure to the dynamics of European economy and operations of leading European automobile manufacturers. The torch simulation exercise gave practical learnings on the aspects of Lean Management. The program also included extracurricular activities like a friendly soccer match between IIM Sirmaur and SDA Bocconi.

EVENTS

Keynote Address by **Mr. Shekhar Tiwari** (MD-SCNO, Accenture) on the theme: "Shaping Future Leaders in the Era of Disruption."

PANEL DISCUSSION 1:

The Future of Work in the Wake of the Fourth Industrial Revolution

The eminent speakers who spoke on above topic were:

- **Mr. Amit Kumar Banerjee**
(Founder & Director, SAMPARC)
- **Mr. Harish Pant**
(MD, Hampson Industries)
- **Prof. Rakesh V**
(PGP, Co-Chairman, IIM Sirmaur)

PANEL DISCUSSION 2:

Managing Disruption through Talent Mobility

- **Prof. Vaneet Kashyap**
(Ex. PGP Chairman, IIM Sirmaur)
- **Mr. Sandeep Tyagi**
(Director – HR, Samsung Electronics India)
- **Mr. Partho Dasgupta**
(Chief Mentor, Reliance Industries)

The maiden edition of Leadership Summit of IIM Sirmaur was hosted on January 27, 2018. The central theme of the event was 'Shaping Future Leaders in the Era of Disruption' revolving around ideas that shape the future and provide insights into the changing world of business in the age of globalization. The event was honoured by the presence of distinguished corporate leaders.

Keynote speaker Shekhar Tiwari (MD-SCNO, Accenture) highlighted the importance of change management. Drawing from his experience in the IT industry, he argued that with the advent of AI, Machine Learning and Blockchain technologies, understanding oneself and one's capacities is of utmost importance. Disruptions are not entirely new phenomena, but rather we have been experiencing them at a greater frequency of late.

TEDx IIM SIRMAUR

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. These local, self-organized events are branded TEDx, where x = independently organized TED event. IIM Sirmaur organized its maiden TEDx event on November 4, 2017 with the theme 'Resurgam', latin for "I shall rise again." The exclusive invite - only event featured a group of speakers from wide-ranging fields and diverse backgrounds touching upon topics of women empowerment, societal labels and struggles of life to sustainable waste management efforts on the Himalayas and revival of the study of Cicadas in India.

THE FIVE SPEAKERS WERE:

- **Mr. Yogesh Kumar**
Founder & Director of Even Cargo
- **Ms. Kamalika Deka**
HR Head, Jubilant Foodworks
- **Mr. Vivek Sarkar**
Wildlife Biologist
- **Ms. Kartiki Bhatnagar**
Blogger & Vitiligo Awareness Activist
- **Mr. Avinash Pratap Singh**
Waste Warrior

Yogesh Kumar, pointed out that more women in the workforce means an exponential growth in India's GDP. All of the talks presented spoke to each other in terms of successfully coming up with solutions where none are forthcoming from established systems. Laying out alarming statistics about the amount of waste generated in only a few days by tourists on pristine Himalayan trails like Triund, Avinash Pratap Singh shared the strategies he used to manage the herculean task of keeping the mountains clean. He said that Waste Warriors are able to create change because they "make cleaning up look cool," turning on its head the stigma attached to waste-workers. Young Kartiki Bhatnagar's talk drove home the importance of not conforming to restrictive labels: "Liberate yourself from the labels that society gives you," she said, "We humans are too complex to be labelled into such simple categories." Studying what he calls "the loudest yet least known members of the forest orchestra," Vivek Sarkar found that "hardships give opportunities that not everyone gets." Kamalika Deka urged future managers from IIM Sirmaur to always remember to start ahead of time and to innovate.

The first Academia-Industry Meet (AIM 1.0) was organised by IIM Sirmaur on November 28, 2017. This event aimed to bridge the gap between the demand and supply of skill sets and competencies of future managers by giving a platform to some of the stalwarts of the local industry to share their thoughts. Along with panel discussions on topics ranging from sustainable and efficient operations to emerging role of women entrepreneurs, the event gave an opportunity to the students to directly interact with dignitaries of the local industry.

LIFE AT IIM SIRMAUR

A Typical Day At The Institute

There goes the alarm. Oh! It's Friday. Will have to brush up that chapter on ratios for today's quiz. What better way to start the day off than grabbing a quick bite and rushing your way up to the library! Hope my number game is strong, won't get more than 10 minutes to go through it all!

8:00 a.m.

It's time for the first class. Where did I keep my case notes? Don't tell me I forgot it in the library last night!

9:00 a.m.

12:30 p.m.

Boy, did that quiz not go as planned. Thank my lucky stars I covered some topics this morning. Let me check out the progress of the Marketing group project before attending the Guest Lecture at 03:00 PM. Thank God! I have my business formal ready for this industry interaction.

06:00 p.m.

Enough of number crunching for a day! Let's unwind. Hey Messi! Where did you keep the football? Guards' room, eh? Hurry up guys, have a submission tonight!

08:00 p.m.

I never knew, so many types of leadership exist. Where do I find an example for each? Oh God, the clock is ticking. Why was this submission scheduled at 9:00 PM instead of the usual 11:59:59!

09:00 p.m.

Phew! That was exhausting. Last minute submissions drain you a lot. I will make it a point to get the things done well ahead of time next time. Bhaiyya please give me an extra scoop of ice cream! It was a long day. Well, let's work on that case at around 12 tonight. Will that do?

We have a big CXO meet lined up next month! Time for a quick Media Committee meeting. We were to finalize a hashtag for the event. What's the progress guys?

10:00 p.m.

03:30 a.m.

Can't take it anymore. Time for some z's. Thank God, it's Friday. Looking forward to the trip to Dehradun this Sunday. It would be so zzz....

02:45 a.m.

Arrg! This is so not done! That took up a lot more time than I expected.

02:00 a.m.

Let me see, what else we have now. Okay, let me add some finishing touches to the marketing ppt.

01:00 a.m.

That was quite a case. Haa! Time for a quick break! Let me catch up with the movie screening.

11:45 p.m.

Hi! I did go through the case yesterday. But I found it hard to wrap my head around the STP of the product. Let me check Kotler first before discussing it with Markaizen group.

11:00 p.m.

Oh! We have the brand-recognition quiz today. Could not qualify last time! Will give my best shot today. The guys at Quizzar have worked hard for this one. It shows. Now I have seen that logo somewhere. What was it?

COMMITTEES

THE PLACEMENT COMMITTEE

Placement cell is a student body responsible for coordinating and streamlining all the placement pertaining activities.

Guided by an illustrious faculty member, serving as Chairman Placements, it is a team of highly dedicated and proactive students working in synergy to achieve the common goal of attracting the most suitable profiles from the most renowned organizations. The key operating spheres of the placement committee include organizing corporate interactions, workshops, developing the student brochure, student's skill job mapping, organizing placement related events, and giving the students an insight about the in vogue industrial trends through conclaves and seminars. The Placement Committee is pivotal in developing and sustaining a mutually beneficial relationship with the corporate houses. Some of the events organised by the Placement Committee are AIM and Leadership Summit.

CULTURAL COMMITTEE

One of the most prized possessions of the institute is the cultural diversity brought in by the students belonging to various states and cultures. The Cultural Committee cherishes the cultural diversity by celebrating various regional festivals from all parts of India and conducting events like official student parties, DJ Nights, cultural events by popular artists and promotes government initiatives like QaumiEkta Week, Ek Bharat Shreshtha Bharat, Constitution Day, Vigilance Awareness Week, etc.

It serves as a platform for the students to hold recreational activities like dance workshops, theatre, social gatherings and relish with each other in their leisure.

The committee looks forward to organizing IIM Sirmaur's first Cultural cum Management Fest this year.

MEDIA CELL

The Media Committee acts as a point of contact between the Institute and the outside world. From keeping the social media platforms up to date with the events happening in the institute, to communicating with the print and digital media, this committee is in charge of the brand IIM Sirmaur. By creating worthwhile and engaging content by means of Facebook, Twitter, Instagram, newsletters, the committee aims at recognizing and valuing the achievements of the institute and its torch bearers. It works to consistently enhance the visibility of the institute.

E-CELL

The Entrepreneurship Committee is one of the most coveted committees of an institute. The presence of business acumen is imperative not just for aspiring entrepreneurs but also for those who want to make their presence felt in the corporate world. The E-Cell is committed to foster the spirit of entrepreneurship among the students. It provides a platform for mentoring and training and helps students to convert their ideas into self-sustaining ventures. To this end, the E-Cell regularly organizes relevant guest lectures and workshops.

SPORTS COMMITTEE

Playing any kind of sport brings out the leader in you. The Sports Committee has organized various inter-college competitions for Chess, Volleyball, Box Cricket and Badminton. The Committee has put in lots of efforts to develop the sports infrastructure. The committee also helps the institute teams, in terms of providing all the necessary support, to enable them to participate in the events conducted by the other colleges.

IIM SIRMAUR

MESS COMMITTEE

The mess of IIM Sirmaur is student-driven and the committee aims at providing homely and nutritious food to the students as well as to the faculty and staff members. It maintains strict quality standards to ensure that students are served healthy and hygienic food. It is always striving to make improvements and enjoys the continuous support of the administration. It helps immensely in the institute's endeavour of providing a home away from home.

SANKALP CSR COMMITTEE

Sankalp, as the name stands is committed to its vision of creating a sense of inclusiveness in the hearts of people. Sirmaur, being a blend of industry and nature, enables us to understand the significance of harmony between the two through sustainable development. We are dedicated to instilling the spirit of Corporate Social Responsibility, the most important and righteous social development duty of corporate companies and Industries, into bright young minds. Since its inception, Sankalp has endeavoured in various activities- clothes donation drive for underprivileged people, a blood donation camp in association with IMA, arranged school supplies for children at a local school, cleanliness drive and waste management awareness drive. The team is striving tirelessly to realize its plans for a whole lot of activities this year also, focused primarily on giving back to society and standing by its motto of "Sowing hope into lives".

ALUMNI CELL

The Alumni Cell works to strengthen the bond between IIM Sirmaur and its alumni for a mutually beneficial relationship. With the intent of connecting the students & ex-students of our institute spread across different batches, chapters and locations, the Alumni cell of IIM Sirmaur was established in 2017, after the convocation of our very first batch! With the formation of IIM Sirmaur Alumni Cell, we have introduced a platform for the alumni to inform, interact and get involved in the events and happenings that are taking place at our institute. Through this page, we wish to strengthen the relationships between alumni, students, faculty, and staff by spreading awareness and encourage participation in the affairs of the institute.

CLUBS

AREA 51 – STOCK TRADING CLUB

Stock market plays a pivotal role in the growth of an economy. This is a major reason why it is so closely monitored by governments, central banks, companies and even general public. The increasing importance of this section of finance has intrigued us a lot. Hence, the club "AREA 51" of IIM Sirmaur is solely dedicated towards capital market operations where we discuss various events and techniques. We conduct informative sessions, quizzes, expert talks, virtual trading and portfolio management competitions.

MARKAIZEN – MARKETING CLUB

Markaizen, the marketing club at IIM Sirmaur is responsible for orchestrating sundry activities to help students explore marketing management area. It brings in an invigorating gust to the otherwise laborious lives of students by organizing enthralling activities which also give opportunities to students to showcase their talent and learn by doing.

Markaizen provides the following benefits to club members, Indian Institute of Management Sirmaur, and the community at large:

1. Provide a platform to educate and enhance students' understanding of the various aspects and nuances of the marketing management area.
2. Assist club members in discovering & exploring diverse marketing employment opportunities.
3. Stimulate interaction among students, outside companies, and faculty to enhance participation in marketing and community relationships.

FINSERVE – FINANCE AND ECONOMICS CLUB

FinServe aims to enhance the financial quotient of the students by conducting various inter-college activities like interactive sessions, guest lectures, financial quizzes, debates and events in collaboration with the corporate world. The activities provide a platform to the students to interact with each other and gain perspective on recent development and innovations in the area of finance and consistently enhance the visibility of the institute.

QUINTUS - IT CLUB

Quintus is a student initiative focused on providing all IT related solutions on the campus. The club is setting up a MOODLE 'Modular Object-Oriented Dynamic Learning Environment' facility which is an open Learning Management System (LMS), a Network sharing facility, and developing an online Software Repository containing essential software required for general and academic uses. The club is also building an interactive online forum for brainstorming IT related issues. It also focuses on Analytics and managerial solution with help of machine learning and deep learning. Quintus is working towards bringing AI into field of management.

SANVIYA – OPERATIONS AND SUPPLY CHAIN MANAGEMENT CLUB

Sanviya focuses primarily on equipping the students with the fundamental skills demanded by the manufacturing as well as the service industry in the field of operations and supply chain. The club is committed to enhance the knowledge sharing and add value to the classroom learning through guest lectures by industry leaders, industry visits and various competitions like quizzes, simulations, and case studies.

QUIZZAR– QUIZ CLUB

Quizzar aims to enhance the general awareness of the students and also encourage them to think beyond their regular academic curricula. Quizzar conducts activities such as interactive and general quizzes, crosswords etc. in new and innovative ways that make them interesting and relevant for the business school students.

ELOQUENCE – DEBATE AND PUBLIC SPEAKING CLUB

The Eloquence club of IIM Sirmaur aims to improve the communication and oratory skills of its students. This will lead to a betterment in their personality, thus improving their chances in the placement interviews and will also aid them in their corporate life ahead. The club has in the past organized events very frequently and it intends to continue on that path. The club also plans to expand its operations at inter college level in the coming academic year. The main focus of the club, however, will be on the students of IIM Sirmaur.

VIBGYOR– PHOTOGRAPHY CLUB

This club is a group of like-minded members who express their Love and Passion for Photography and like to capture beautiful moments and express their feelings in the form of Photographs.

Photography is a passion for the members of this club. The club's aim is to offer a platform on which interested people of IIM Sirmaur can promote their work to a wider audience and help people pursue photography as a hobby and also grow in their career.

RANGMANCH – ARTS CLUB

RangManch is the art club of IIM Sirmaur. It started with the idea of providing a healthy deviation from the rigorous routine of academics at IIM Sirmaur. The club believes that each one of us has a creative side to his/her personality and all we need is a conduit for our creative energies. It encourages students to engage in creative activities, records them and puts those videos on social media. Apart from content creation, the club is also responsible for the active promotion of content and provides a platform to showcase the same. Thus it provides hands on experience of digital marketing to its members. The club sees active participation from the talented pool of students at IIM Sirmaur.

HORIZON – HR CLUB

Horizon the HR Club of IIM Sirmaur is a collective that aims to unite students who have a deep interest in the field of Human Resource Management, explore the practices prevalent in the domain & address challenges in the ever-changing field. The club intends to establish linkages between theory and practice by interacting with Professionals, exploring case studies, conducting simulations and conducting exciting events that give a feel of various roles and responsibilities of an HR. The Club's intent is to foster a learning environment to enable students to become competent HR professionals.

SAFARNAMA– TRAVEL CLUB

Making the most of our locale in the vicinity of the Himalayas is Safarnama - Travel Club of IIM Sirmaur. The club aims to organize travel, adventure and trekking events for the students. It collaborates with the students of other B-schools across the country to explore the unexplored and enhance the learning of the students in the process. The objective of the club is to enrich the students' personalities through travel experiences.

GUIDE TO FINAL PLACEMENTS FOR THE BATCH OF 2017-19

The organizations can start inviting applications any time after the Pre-Placement Talk (PPT) and/or confirmation of participation in the Final Placement Process. The details of the job offer such as profile, remuneration and location must be provided before applications are invited. Consequently, an invitation letter will be mailed to the organization confirming the date and time at which the Selection Process will take place. The organization is required to communicate the detailed process requirements (number of selection rounds, panels, and process specific requirements) at least 3 days prior to the placement process.

2nd CONVOCATION

The 2nd Annual Convocation of the Indian Institute of Management Sirmaur, held on 13th April, 2018 saw Jai Ram Thakur, Chief Minister of Himachal Pradesh as the Chief Guest who delivered the Convocation Address. The ceremony was also graced by Shri Ajay S. Shriram, Chairman and Senior Managing Director, DCM Shriram Ltd., and Chairman of the Board of Governors, IIM Sirmaur, who delivered the welcome address and awarded Degrees to the graduating students. Hon'ble Speaker, HP Vidhan Sabha Dr. Rajiv Bindal, Urban Development Minister Sarveen Chaudhary, MP Virender Kashyap, MLAs Sukh Ram and Suresh Kashyap, former MLA Baldev Tomar were also present on the occasion among others.

This is the first batch of students who received the MBA degree instead of Post Graduate Diploma in Management. The decision to award degree instead of diploma was taken earlier as per the provisions of the IIM Act 2017.

Addressing the gathering, Professor (Dr.) Neelu Rohmetra, Director IIM Sirmaur spoke about the achievements and progress of the institute over the past year. She said that IIM Sirmaur is a people-centric institution where all members are encouraged to take ownership of their purpose. She stated that IIM Sirmaur aims at uncompromising excellence in teaching and research, freedom of authentic expression and exchange of ideas and wished the students best for their future.

In his convocation address, the Chief Minister extended hearty congratulations to the graduating batch and underscored the significance of an Institute of national importance such as IIM Sirmaur for Himachal Pradesh. He said that it is a matter of great pride for Himachal Pradesh that the IIM Sirmaur community is thriving in Paonta Sahib despite challenges. He acknowledged the great impact of parents and teachers in the lives of students and urged the future leaders to retain strong links to their culture and values.

In his welcome address, Shri Ajay S. Shriram acknowledged the immense contribution and concerted effort required by all stakeholders to build a world renowned Institution. For the graduating students, he gave three principles for success: strong value systems, open mind, and building a strong team of committed people. He advised students to develop high ethical standards and take the initiative to learn throughout their lives.

Pre-Placement Talk : October 2018

Final Placements : October - February 2019

Joining Dates : April 2019 onwards

PRE-PLACEMENT TALKS

The Pre-Placement Talk (PPT) helps companies and students interact with each other. The representatives of companies share the profile of their company, key aspects of business, work environment and opportunities available to the students. The presentation is followed by a Q&A session, where students interact with company officials to get a better understanding of the company and potential roles. A typical PPT session is scheduled for 90 minutes.

APPLICATIONS AND SHORTLISTS

In response to job descriptions floated by companies, interested students apply through the Placement office. A detailed resume is submitted by the students as part of the application process. On the basis of student applications, companies are required to send shortlists to the Placement office prior to their final placement interviews.

PLACEMENT INTERVIEWS

The final placement process is expected to be conducted over a period of time from October 2018 to February 2019. Companies can interview the students they have shortlisted, on the date agreed upon by the Placement office and the company. The final placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice. The companies are allowed to meet students prior to their allotted final interview date and carry out preliminary assessments.

OFFERS AND ACCEPTANCE

The company can make an offer to the student after the final interview. For an offer to be valid, it should include details of role, location, remuneration, and other relevant terms and conditions required by the candidate to make a decision. The offer is communicated by the company to the Placement office, which in turn communicates it to the selected student. The acceptance of an offer is governed by placement rules of the PGP which are framed at the beginning of the academic year.

TESTIMONIALS

“The new batch from IIM Sirmaur, in this limited period of two months have shown positive and encouraging signs in adapting, adjusting and integrating yet keeping their individual uniqueness intact. Trust the Institute builds on this further and positions itself as a preferred destination for Corporates to source their future talents.”

MR. PARTHA DASGUPTA

Chief Mentor,
Reliance Industries

“The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India’s Ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones.”
